## **Main Street Bank Sponsors Bowling for Kid's Sake**

*Bank donates time and treasure to Big brothers and Sisters Organization*

WHEELING – Main Street Bank once again was a proud sponsor of the Big Brothers and Sisters "Bowling for Kid's Sake" held March 12, 2006 at Elm Grove Lanes.

Children of the bank's staff secured pledges and bowled two games as their commitment for the sponsorship.

The bank is proud of its commitment to the community that it serves, noted the bank's event coordinator, Lee Ann Whetsell.

"It's refreshing to see the children of the bank's staff represent the bank in such a rewarding event. The children realize that they are helping to make other children in our community obtain many of life's special events that they might not otherwise had that opportunity," said Whetsell.
