Main Street Bank Sponsors Triathlon Team

Team finishes second in business competition.

WHEELING -- Main Street Bank's team placed second with a time of 1:27:04 in the business teams at the Wheeling Jesuit University Triathlon.

The team included Debbie Kuzma, an employee of Main Street Bank's Wheeling office, and Nicole Myers and Georgia Hamilton. The triathlon was a benefit event for The Faith In Action, an interfaith volunteer care giving initiative of The Robert Wood Johnson Foundation. Local Faith in Action programs bring together volunteers from many faiths to work together to care for their neighbors who have long-term health needs.

The competition included an 800-meter swim, 25K bike, and a 5K run.
